

Viborg Pilgrim Centre

Viborg Pilgrim Centre was founded on November 8th 2004. This non-profit organisation has its home in Sct. Leonis Stræde 1A, 8800 Viborg, Denmark.

Our purpose is:

- To run Viborg Pilgrim Centre as a meeting place for members and others interested in pilgrimage. Here they can meet and work with their shared interest in the pilgrimage idea.
- To revive Viborg, which is an ancient holy place, as a spiritual centre
- To develop and promote walking routes in and about Viborg.
- To cooperate with other pilgrim associations and individuals working to revive *Hærvejen* (the old “road for the king’s armies”) as a pilgrim route.
- To serve as a place of resources for the pilgrim movement and to cooperate with Danish and foreign pilgrim associations.

By joining Viborg Pilgrim Centre you can support our work. A membership costs 200 DKK a year and can be acquired by contacting

Viborg Pilgrim Centre

Pilgrimage is

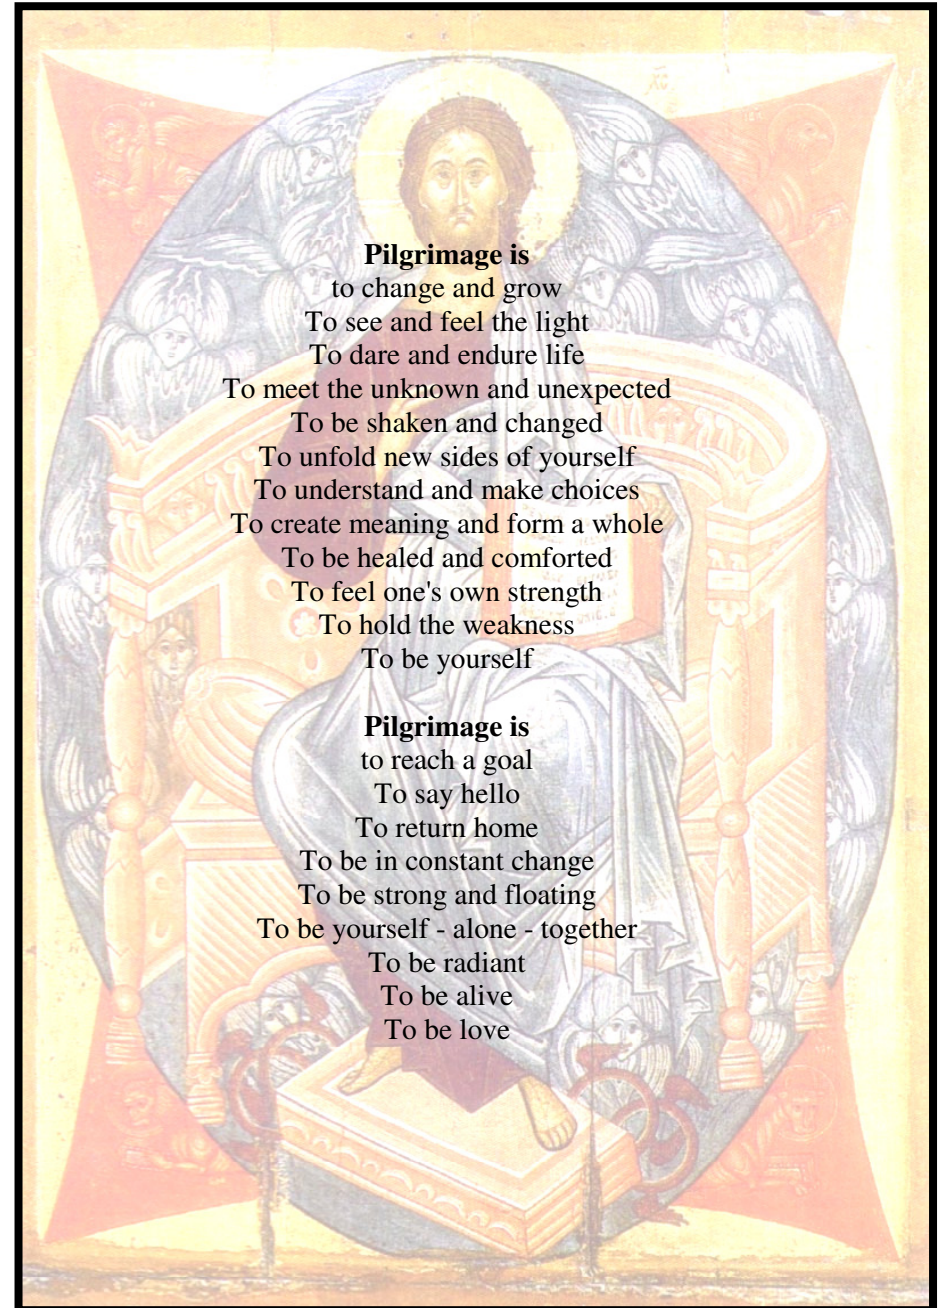

- to walk through life
- To set out - longing, hoping and having confidence
- To set a goal
- To look for light in one's darkness
- To look for new ways and possibilities
- To look for truth and love
- To be curious and open minded
- To open up and be vulnerable
- To believe that something can be found
- To let go and head off
- To say goodbye

Pilgrimage is

- to exist in the present
- To fight your way onwards
- To light a candle
- To move and be moved
- To feel yourself and the world
- To look and listen and receive
- To use body and mind
- To feel pain and happiness
- To feel fear and sorrow and love
- To undergo life

Pilgrimage is

- to walk together
- To be in a community
- To be alone but not lonely
- To give and receive and share
- To feel respect and trust
- To feel safe
- To support and see each other on the road
- To be loved
- To want love
- To want life

Pilgrimage is

- to change and grow
- To see and feel the light
- To dare and endure life
- To meet the unknown and unexpected
- To be shaken and changed
- To unfold new sides of yourself
- To understand and make choices
- To create meaning and form a whole
- To be healed and comforted
- To feel one's own strength
- To hold the weakness
- To be yourself

Pilgrimage is

- to reach a goal
- To say hello
- To return home
- To be in constant change
- To be strong and floating
- To be yourself - alone - together
- To be radiant
- To be alive
- To be love
